The Art Of Staging

Specialising in styling properties to attract the best sale price possible.

I N T E R I O R

OUR SERVICES

Our styling service is created on an individual basis and can include:

- Full styling
- Partial styling
- Furniture hire only

Minimum spend is \$2,500 and includes the furniture rental, delivery, install and removal.

Flexible short and long term hire period.

PRE-SALE ADVICE

As part of our services, we can provide helpful advice on pre-sale preparation such as paint, window treatments, lighting, minor updates and trade recommendations.

PRESENTATION IS EVERYTHING

We individually hand-pick furniture and decor that works with your property's features and appeals to your target market therefore maximising its sale value.

For before and after transformations, please visit our website.

WORTH THE INVESTMENT?

On average, a styled house sells within 33 days of being put on the market. In contrast, it takes around 90 days to sell an un-styled property. In Australia, styled homes sell for 3-6% more than un-styled homes.
